The Landmarks Preservation Commission has under consideration the proposal to expand the Landmark Site of The Frick Collection, a designated Landmark to include Lots 1, 8, 10 and 11 of Block 1385. The Landmark Site is now Lot 1 of Block 1385. The Landmark and original Landmark Site were designated March 20th, 1973 (LP-0667).

The Frick Collection now owns all three of the lots on 70th Street immediately to the east of its building; a one-story extension and a garden will be developed on these lots. The Frick Collection's design program was presented to the Commission, and following a public hearing, Certificate of Appropriateness No. 326 was issued by the Commission.

On November 27, 1973, the Landmarks Preservation Commission had held a public hearing on the proposed amendment of the Landmark Site of The Frick Collection (Item 18). The hearing had been duly advertised in accordance with the provisions of law. Two persons including the director of The Frick Collection spoke in favor of the expansion of the Landmark Site. There were no speakers in opposition to the amendment.
